INTRODUCTORY COMMENTS

In a First Office Action dated January 5, 2004, originally-filed claims 1-4 were rejected and claims 5-9 were indicated as allowable. In a Reply thereto filed March 24/29, 2004, no claims were amended or canceled.

Hence, claims 1-9 continued to be pending and were examined for the Second, Non-Final Office Action that was mailed June 16, 2004 ("the Action"). In this Second, Non-Final Office Action, only claim 1 was subjected to an art-based rejection.

In response thereto, this Reply is being filed. Specifically, no claims have been canceled, but claims 10-19 have been added. Consequently, claims 1-19 are now pending.

Please amend the above-identified application in accordance with the directions set forth below.
